

A Positive Future for Kimberley

LET'S BE CLEAR

The Cemetery Chapel:

The council is obliged to maintain the chapel – **DOING NOTHING IS NOT AN OPTION**

Labour supports the restoration and development of this historic building

Labour support the maintenance of a respectful environment

Labour support the chapel being made accessible to the community

Labour support the program to install heating, lighting, a small kitchen and toilet facilities to improve the comfort for those who use it

Labour **DOES NOT** support turning the chapel into a bar / nightclub / pool hall

Finances:

Labour supports and is committed to open and transparent financial practice and housekeeping

Labour supports and is committed to financial responsibility, planning, accountability and effective financial management

Labour believes in ensuring the council always has financial reserves and never goes into debt

Labour supports responsible investment in the community in projects that support all of our people e.g. pensioners, toddlers, sports clubs, community spaces / amenities, our young.

Labour **DOES NOT** support frivolous spending.
